YEARS OF INNOVATION FOR COOLING PERFECTION

Take control of outdoor adventures like never before with the Dometic CFX3 series powered coolers. Enjoy fresher food at your fingertips thanks to Dometic's market leading VM303 variable speed compressor with optimized software for better cooling, freezing and power consumption. The CFX3 series features a durable ExoFrame that protects the cooler, making it ideal for rugged trips. Strong, spring-loaded aluminum handles make it easy to lift and carry. Set the cooling temperature of your CFX3 on the new High Resolution Color display screen and pack all your favorite foods. Download the CFX3 app and roam free from worry. Once your CFX3 is connected through your phone, you can set the ideal temperature, and get a detailed history of energy and temperatures. We also offer a range of accessories to get the most out of your cooler, including a durable insulated protective cover and a cooler slide for easy access to your favorite items.

KEY BENEFITS

- Generous storage capacity ranging from 36l up to 99l
- Heavy-duty yet lightweight ExoFrame construction with fender frame protected edges and aluminum alloy handles
- Powerful VM303 compressor cooling technology efficiently refrigerates and deep-freezes to -7°F
- Easy-to-read High-Resolution Color Display and soft touch buttons enabling seamless control and monitoring of cooler performance
- CFX3 App allows temperature control via WiFi or Bluetooth and provides performance history
- 3-stage dynamic battery protection system prevents dead car battery or allows deep draw on dual batteries

USER-FRIENDLY INTERFACE

Weatherproof high-resolution user interface displays operating status

RUGGED CONSTRUCTION

ExoFrame construction protects the unit from damage

EFFICIENT POWER CONSUMPTION

Optimized VM303 Compressor cooling technology

FLEXIBLE POWER OPTIONS

Powered by AC, DC and solar

CONVENIENT CFX3 APP

Temperature control and performance monitoring via CFX3 App

EASY TO CARRY

Strong aluminum alloy carry handles
